THE SMELLS AND SOUNDS OF THE RAINFOREST AT NIGHT, thousands of twinkling candles, friendly company, a fabulous three-course meal, Hors d'oeuvres and champagne on arrival and a private Aboriginal storytelling . . . what could be more magical? The atmosphere alone of dining under a protective covering, with a Port Douglas rainforest canopy above that and only stars beyond, is amazing enough. But this is the perfect mix of theatre, spectacular nature and nocturnal animal life, storytelling and socialising, with a rippling mountain creek close by. It truly is food for your soul, satisfaction for all senses and a unique hideout from the rest of the world. Flames of the Forest will be an unforgettable memory at an extraordinary natural venue.

WHERE // 15min from Port Douglas, 40min from Palm Cove and 1hr from Cairns in Mossman, Tropical North Queensland. \$184 per person all inclusive, (07) 4099 3144 or www.flamesoftheforest.com.au for more info.
