

Guides on tour duty

A GROUP of 24 retail youth/adventure travel agents from across Australia were put through their paces during a special boot camp on Cairns Esplanade.

The boot camp session was to ensure the agents were in top condition before the TTNQ Cairns Backpacker Famil.

The familiarisation program brought together people from businesses such as STA Travel, Student Flights, Peterpans and Wotif.com.

Their visit included white water rafting, skydiving and bungee jumping and trips to the Great Barrier Reef.
