A warm welcome from the Cairns & Great Barrier Reef Region!!!!

I know you get a lot of E newsletters, so I will keep this brief.

This is the first E newsletter for TTNQ, which will come to you bi monthly so you don't miss out on what's new and hot in the region.

Please don't hesitate to contact me if you need any information on products, the region or for assistance with itineraries or familiarisations, as that's what I'm here for!!!!!!
