## TTNQ Trade Newsletter New Zealand

Hello

Hope you are well and "Beached as Bro" (this saying was all I heard from the New Zealand agents that participated in the TNQ Famil last month)

I wanted to take this opportunity to wish you all a very Merry Christmas and Happy New Year. Attached is a picture of myself swinging through our world heritage listed rainforest at AJ Hackett Cairns. [www.ajhackett.com.au](http://www.ajhackett.com.au)

Also, a couple of updates on our region;

- We have a new product, "Australian Muster Experience" - a 19th century inspired outback station with stockyards, offering an authentic experience of life on a working cattle station. [www.australianmusterexperience.com](http://www.australianmusterexperience.com)
- Australia's leading factory outlet, DFO has opened in Cairns and is home to over 100 leading domestic and international brands and offers up to 70% discounts everyday [www.dfo.com.au/caims/](http://www.dfo.com.au/caims/)
- Sofitel Reef Hotel Casino is now re-branded as Pullman Reef Hotel Casino [www.reefcasino.com.au](http://www.reefcasino.com.au)
- Cairns International Hotel (part of Mirvac group) is now called "Sebel Cairns" [www.cairnsinternational.com.au](http://www.cairnsinternational.com.au)
- We are in stinger season at the moment and the season usually runs from November to May each year. It is always safe to swim in our beautiful beaches as long as it is on a patrolled beach with lifeguards and nets

Remember, if you need any assistance on the Tropical North Queensland region, please contact me as I am very happy to help. Alternatively you can visit our website which is always updated at [www.tropicalaustralia.com.au](http://www.tropicalaustralia.com.au). Finally, in the spirit of Christmas, I am giving you a map of our beautiful city - Cairns.

Have a fun and safe Christmas break.

Kind regards
